Catania - Red

Templeton Fabric T1056-06

Description: Catania fabric's perfectly proportioned herringbone pattern is inspired by the peaks and valleys of the magnificent Mt. Etna, which is located in the ancient port city of Catania, Italy. Tested to 40,000 double rubs, the viscose and linen blend create a fabric with subtle sheen that can be specified for a variety of uses.

Width: 54"W

Content: 58% Viscose, 42% Linen
